5.1. Obligation for Assessments. Each Owner, by acceptance of the deed for such Owner's Unit, and regardless of whether it shall be so expressed in any such deed, hereby covenants and agrees and shall be deemed to covenant and agree to pay to the District or its nominee the:

5.1.1. Capital Assessment;

5.1.2. Annual Maintenance Assessment; and

5.1.3. Any additional Assessments levied by the Board of Directors or any applicable Sub-Association's board of directors either pursuant to the CID Act or pursuant to any other provision of Missouri law.

The budget shall contain the estimated costs of retiring any portion of any outstanding District Obligations, maintaining the Common Area and the Limited Common Area and otherwise carrying out all of the District's purposes established under this Declaration, the Petition and the CID Act. At least ninety (90) days prior to the end of the Fiscal Year, each Sub-Association's board of directors shall submit a proposed budget containing, at a minimum, the Sub-Association's expected assessments and expenditures for the upcoming Fiscal Year to the Board of Directors so that the Board of Directors can include such Sub-Association's budget in the overall District budget,

provided however any Sub-Association board may, in its discretion provide the Board of Directors with the authority to prepare the Sub-Association's budget. Prior to the adoption of the District's budget, and in accordance with the CID Act, the Board of Directors shall submit the District's proposed budget to the City's governing body for review and comment. This submittal to the City must occur no earlier than January 1 of each year but no later than April 1 of each year. The Assessments for each assessable Unit for the upcoming Fiscal Year shall be established by resolution of the Board of Directors on the basis of the adopted budget.

5.3. Maximum Capital Assessment and Annual Maintenance Assessment. The maximum Capital Assessment and maximum Annual Maintenance Assessment shall be calculated in accordance with each respective Special Assessment Petition submitted to the Board of Directors in accordance with the CID Act.

5.4. Uniform Rates. Capital Assessments and Annual Maintenance Assessments shall be fixed at a uniform rate for all assessable Units receiving similar benefits. However, the District, pursuant to the Petition and a determination by the Board of Directors by resolution, may, levy different Capital Assessments and Annual Maintenance Assessments for assessable Units based upon the level of benefit derived by each specific Unit. In addition, the Assessments under this Declaration may be different from the Assessments levied pursuant to the Park Ridge Declaration.

5.5. Date of Commencement of Annual Assessments; Due Date. The Assessments shall commence as to all assessable Units upon the Board of Director's approval of a District resolution levying the annual Special Assessments against the Property. All Assessments shall be collected by the County Collector in the manner provided within the CID Act. Upon the Closing of the conveyance of a Unit to an Owner other than the Declarant, any Assessments currently due and owing shall be prepaid and collected in accordance with the requirements of this Declaration. Provided however, the Board of Directors may, in its sole discretion, provide for any alternative collection procedures deemed to be in District's best interest, and not in violation of the CID Act. The Assessments shall be payable in full to the District without demand or set-off on an annual basis, provided however, the Board of Directors may request that the Collector conduct a special billing at the District's expense when the Board of Directors has found, in their sole discretion and pursuant to a District resolution, that a special billing is in the District's best interests.

5.6. Duties of the Board of Directors with Respect to Assessments.

5.6.1. Written notice of each Fiscal Year's Assessments shall be given to each Owner by June 1 of the preceding Fiscal Year.

5.6.2. The Board of Directors shall give notice to any Owner who becomes subject to an Assessment subsequent to July 1 of any Fiscal Year by acquiring an assessable Unit, and such Owner shall pay the applicable Assessment on a pro rata basis commencing on the date upon which the deed conveying title to such Unit was delivered. Unless the Owner takes title to a Unit from the Declarant, however, the lien of the unpaid portion of the Assessment shall attach to the Unit until the Assessment is paid in full.

- 5.6.3. The Board of Directors shall, upon request, furnish to any Owner liable for any Assessment, a certificate in writing and in recordable form, setting forth whether all Assessments (together with all applicable fees and charges) have been paid to date. The Board of Directors may make a reasonable charge for the issuance of such certificate. Such certificate may be recorded in the Recorder's Office and, upon recording, shall constitute conclusive evidence of the status of payment of any Assessment for the period stated in the certificate.

5.7. Effect of Non-Payment of Assessments; Lien; Remedies; Maintenance and Enforcement of Liens for Assessments.

- 5.7.1. The Collector shall collect and remit all Assessments to the District, as provided in Section 67.1541 of the CID Act. In the event the District elects to act as the collector of Assessments, the District, if required by the Collector, will enter into an intergovernmental cooperative agreement with the Collector pursuant to Section 70.220, RSMo, for that purpose. In such event that an intergovernmental cooperative agreement is executed by the Collector and the District, the terms of such agreement will control. Should the Collector deem it unnecessary to execute an intergovernmental cooperative agreement for the collection of Assessments, the District shall collect such Assessments in accordance with the decisions of the Board of Directors, in its sole discretion.
- 5.7.2. If the Assessments, or any part thereof, are not paid when due, the unpaid amount of such Assessment shall be deemed delinquent and shall thereupon be a perpetual lien on the Unit against which the Assessment was made. Such lien will take priority as of the date of recording this Declaration and, unless otherwise specifically stated herein, will be superior to any other liens hereafter placed on said Unit; provided however, that such lien is hereby subordinated to and shall be inferior to any valid first mortgage now existing or which may hereafter encumber said Unit. If an Owner fails to pay any portion of the Assessments when due, the Assessments will be declared delinquent and payment of principal, late charges, interest at a rate of eighteen percent (18%) per annum, collection costs, costs of suit and reasonable attorneys' fees may be enforced as a lien on the Unit against which it is levied in proceedings in any court in Jackson County, Missouri, having jurisdiction over suits for the enforcement of such liens as provided for in Section 88.861, RSMo. Additionally, the District may proceed against any Owner or Owners, jointly or severally, failing to pay any portion of the Assessments when due and shall be entitled to seek all remedies available under law and in equity.
- 5.7.3. The District must bring all suits to enforce the lien of Assessments or otherwise collect unpaid Assessments; provided however, the Board of

Directors may assign such right of collection when the Board of Directors has found, in their sole discretion and pursuant to a District resolution that an assignment of the District's collection rights is in the District's best interests. The District may, at its discretion, file certificates of nonpayment of Assessments, or similar documents, in the Board of Director's sole discretion, in the Recorder's Office whenever payment of any such Assessments is delinquent. For each certificate so filed, the District will be entitled to collect from the Owner or Owners of the Unit against which the certificate is filed, a fee as established from time to time by the District, which fee shall be secured by the lien. Said fee will be collectible in the same manner as the original Assessments and will be in addition to any principal, late charges, interest at a rate of eighteen percent (18%) per annum, collection costs, costs of suit and reasonable attorneys' fees due on such Assessments. The District may terminate or suspend any services provided to an Owner of a Unit, including such Unit Owner's exclusive right to Limited Common Area, if and so long as the Owner fails to pay any Assessments.

- 5.7.4. All payments received shall be applied first to costs, then to late charges, if any, then to interest, if any, then to delinquent Assessments, then to any unpaid installments of Assessments, if any, in the order of their coming due, whether or not such installments are the subject matter of any actions to enforce a lien.

5.8. Property Exempt from Assessments. All portions of the Property dedicated to and accepted by any municipality or public utility for public use or purposes, all portions of the Property exempt from taxation as set forth in Section 137.100(5), RSMo (unless the tax-exempt entity elects to voluntarily participate in the Assessments) and, except as otherwise expressly provided in this Declaration, all portions of the Property owned by the Declarant or the District are wholly exempt from the Assessments and liens created hereby.

5.9. Easements. Any foreclosure of a lien securing any one, or all, of the Assessments shall not terminate any easement granted by the Declarant, whether pursuant to this Declaration or otherwise, and all such Assessments shall be inferior and subordinate to such easements.

5.10. Sub-Association Assessments. The Declarant or the Owners of real property or Units within a Sub-Association Area may form a Sub-Association by incorporating a not-for-profit corporation and filing a declaration of covenants, conditions and restrictions, with the prior approval of the Board of Directors. To the extent authorized by the applicable declaration of covenants, conditions and restrictions, a Sub-Association may impose Sub-Association Assessments against Units within the Sub-Association Area. Such Sub-Association Assessments shall be collected, administered and expended by the District pursuant to contractual authority derived from the covenants, conditions and restrictions governing such Sub-Association. Provided however, the District may, in the Board of Director's sole discretion, allow such Sub-Association to collect and expend its Sub-Association Assessments without District interference, oversight or approval.

11.1. Amendment. The covenants, conditions, restrictions and easements of this Declaration shall run with and bind the Property, including any Additional Property, and shall inure to the benefit of and be enforceable by the District or any Owner, in perpetuity, unless Owners representing at least sixty-seven percent (67%) of the votes held all Members have signed and recorded an instrument abolishing or changing said covenants, conditions and restrictions in whole or in part.

11.2. Amendment by Declarant. Until such time as the first Unit is conveyed to an Owner other than a Builder, Declarant, at its sole discretion, may abolish the covenants, conditions and restrictions of this Declaration or change them in whole or in part. In addition, so long as Declarant is a Member, Declarant shall have the right, but not the obligation, to amend or modify the covenants, conditions, restrictions and easements of this Declaration without providing notice to or obtaining the consent of any other Member, to the extent Declarant, in its sole discretion, may deem necessary.

11.3. Articles Two, Three, Five and Eleven of this Declaration May Not Be Amended. Notwithstanding anything contained within this Declaration to the contrary, the Members may not amend Article Two, Article Three, Article Five and Article Eleven of this Declaration, provided however, this provision shall in no way impede the Declarant from amending these Declarations pursuant to Section 11.2.

Subsequent to the Declarant's membership terminating, and except as provided in Sections 11.1, 11.2 and 11.3 of this Article, the covenants, conditions, restrictions and easements of this Declaration may be abolished, amended, or changed in whole or in part only with the consent of Owners representing at least sixty-seven percent (67%) of the votes held by all Members, to be evidenced by a document in writing bearing each of their signatures; provided, however, that no such instrument shall be effective unless made and recorded six (6) months in advance of its effective date; and provided, further, that no such change shall be effective on less than thirty (30) days' prior notice to the Owners.

11.5. Enforcement. The District or any Owner may enforce these covenants, conditions and restrictions against the District or any Owner by a proceeding at law or in equity against any person or persons violating or attempting to violate any covenant, condition, restriction and easement, either to restrain such violation or to recover damages or to enforce any lien created herein against the land. The failure by the District or any Owner to enforce any covenant, condition or restriction contained herein shall in no event be deemed a waiver of the right to do so thereafter.

11.6. Severability. Invalidation of any of these covenants, conditions or restrictions by judgment or court order shall not affect in any way the other provisions contained herein, which shall remain in full force and effect.

11.7. Notices. 11.8. Captions. Captions provided herein for Articles or Sections are inserted only for convenience and are not to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

11.9. Limitation of Liability. The District and Declarant shall not be liable for any failure of any services to be obtained by the District or Declarant, or paid for out of the Assessments levied upon the Owners, or for injury or damage to person or property caused by the elements, or resulting from water which may leak or flow from any portion of the Limited Common Area and the Common Area or, or from any wire, pipe, drain, conduit, utility line or the like. The District and Declarant shall not be liable to any Owner or permitted tenant for loss or damage, by theft or otherwise, of articles that may be placed or stored upon the Limited Common Area or the Common Area. No diminution or abatement of Assessments shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the Limited Common Area or the Common Area, or from any action taken by the District and Declarant in accordance with any of the provisions of this Declaration or a Supplemental Declaration, or with any law, ordinance, order, or directive of any municipal or other governmental or quasi-governmental authority. Neither the District, the ARB nor the Declarant, nor any of their employees, agents, or consultants, shall be responsible in any way for any defects in any Plans or specifications submitted, revised or approved in accordance with the provisions of this Declaration, nor for any structural or other defects in any work done according to such plans and specifications, including, without limiting the generality of the foregoing, construction of Units.

11.10. Successors of Declarant. Any and all rights, reservations, interests, privileges and powers of the Declarant hereunder may be assigned and transferred, in whole or in part, by the Declarant, without notice to the District.

11.11. Priority in Event of Conflicts. If there are any conflicts among the CID Act, the Petition and this Declaration, the CID Act controls over the Petition and this Declaration, and the Petition controls over this Declaration.

11.12. Miscellaneous Expenses. Whenever an Owner, such Owner's tenant or such Owner's mortgage requests any information pursuant to the terms of this Declaration, all reasonable expenses incurred by the District in providing such information will be paid by the party requesting same.
